

Citrus – Customer Guide

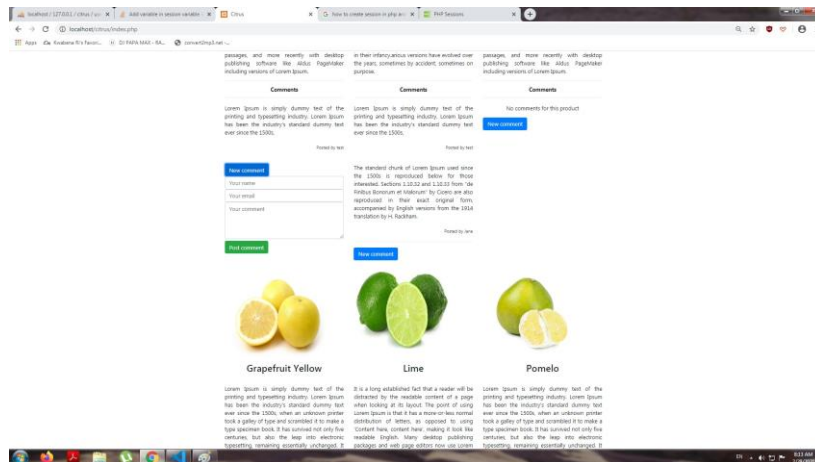

Index.php page:

In index page there is navbar and list of product. In top right corner there is link to login page for admin user to log in. Below is the list of 9 products.

For each product there is comment section. Every comment has text part and who posted that comment. Under comment there is button “New comment”. By clicking on that button form expands and anybody can post a comment for that product. Comment won’t be displayed right away. Admin needs to approve this comment.

Admin part

By clicking on login button in top right corner, sign in page opens.

Username

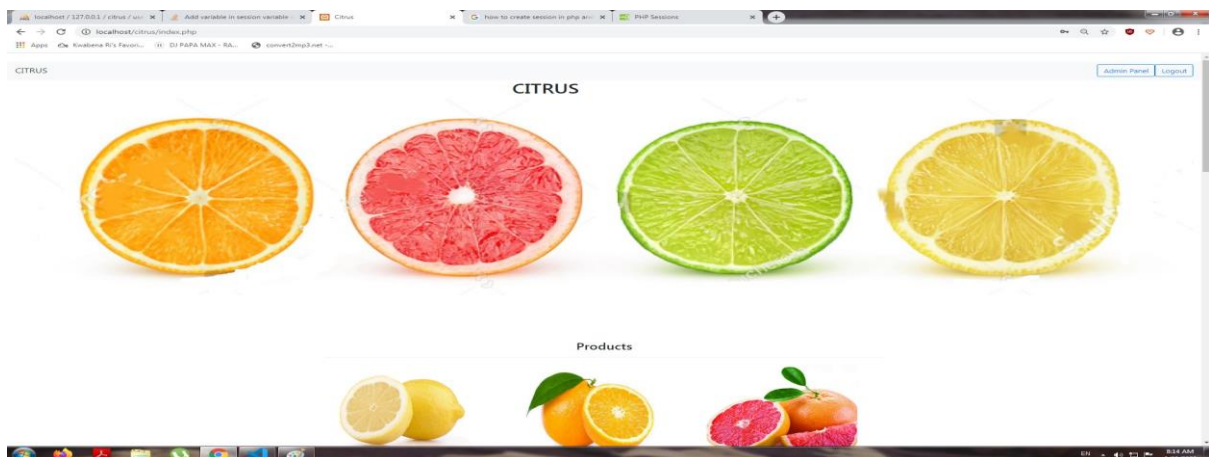

Password

Credentials for log in are:

Username: test

Password: test123

When logged in , admin can see two link in navbar: adminpanel and logout.

Admin panel:

CITRUS				Admin Panel Logout	
Posted by	Email	Comment	Approve	Delete	
test	test@test.com	Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s.	Approve this comment	Delete this comment	
test	test@ss.com	test test etset	Approve this comment	Delete this comment	

On this page there are comment which are not approved yet. By clicking “Approve this comment”, admin approves it. By clickin “Delete this comment”, admin deletes that comment.

Logout button log out and redirects back to index.
